🕒 Duration: 9 weeks (1 class per week)

👥 Limited to 5 students

💰 Course cost: \$2,400

🔒 Reserve your spot with a \$500 deposit (non-refundable and non-transferable)

🔊 Payment plans available (Debit/credit card or upfront weekly payments required):

✓ Initial deposit: \$500

✓ First payment: \$300 (due on the first day of class)

✓ Weekly payments: \$200 (for 8 weeks)

✦ If you don't complete the models and touch-ups by class #9, there will be a \$150 charge per extra week until graduation requirements are fulfilled.

📖 What will you learn in this course?

✓ Hair stroke technique (Microblading)

✓ Shading technique (Microshading with machine and manual tools)

✓ Combined technique (Hybrid Brows)

✓ Compact technique (Powder Brow)

✓ Brow mapping and custom design

✓ Hygiene, biosafety, and anesthetics

✓ Color theory and pigmentology

✓ Face analysis and customization

✓ Client consultation and waiver form

✓ How to price your services and promote yourself on social media

✓ Photography and video for marketing

✓ Practice on synthetic skin and real models

🔊 Includes post-course support to help ensure your success

Class Schedule:

- ◆ **Class #1:** Theory and Pathogens exam, brow mapping and design
- ◆ **Class #2:** Microblading and shading theory + practice on synthetic skin
- ◆ **Class #3:** Model 1 practice – Hair stroke Microblading
- ◆ **Class #4:** Model 2 practice – Shading (Powder Brow)
- ◆ **Class #5:** Model 3 practice – Combined technique (Hybrid Brow)
- ◆ **Class #6:** Touch-up on Model 1 – Microblading
- ◆ **Class #7:** Touch-up on Model 2 – Shading
- ◆ **Class #8:** Touch-up on Model 3 – Combined technique
- ◆ **Class #9:** Graduation Day + Practice for completing any pending models

✦ There must be a 3-week gap between the first session and the touch-up for proper healing.

Graduation Requirements:

- ✓ Attend the first 2 classes
- ✓ Complete touch-ups for all techniques by class #9
- ✓ Pass the Pathogen exam (can be retaken if not passed)
- ✓ Present at least 1 model per technique with touch-ups
- ✓ Achieve a minimum of 80% in practical assessments (certificate will not be issued until standards are met)

🔊 You may continue attending practice sessions for up to **1 year after graduation.**

Course Includes:

- ✓ Student manual
 - ✓ 3 official certifications (Microblading, Microshading, and Pathogens)
 - ✓ Professional dermograph machine
 - ✓ Complete kit (pigments, anesthetics, and essential materials)
-
