What is Acripie?

Acripie is a technique used to style toenails with imperfections or to reinforce them, giving a spectacular look.

COURSE OBJECTIVES

- Master nail anatomy and learn to care for your clients' health and well-being using professional techniques.
- Refine advanced skills such as the **Overlay technique** and flawless **Gel Polish application** for long-lasting, aesthetic results.
- Offer exclusive treatments such as **hydrating paraffin** and **relaxing massages** that pamper both hands and feet while promoting relaxation.
- Design natural-looking nails using innovative techniques that highlight natural beauty with precision and creativity.

- Ensure maximum hygiene with deep-cleaning and professional disinfection protocols for a safe, high-quality environment.
-

Hands-on, comprehensive techniques include:

- Excellent preparation for every procedure
 - Deep cleaning and precision in every detail
 - Mastering the leveling technique for perfectly balanced nails
 - Performing a traditional pedicure with a modern, aesthetic touch
 - Customized massages to elevate your clients' experience
 - Mastery of **Russian Manicure**, ideal for a clean, sophisticated finish
 - Expert application of **Acrylic** to ensure flawless toenail results
-

Course includes a basic kit

An extra materials list will be provided on the first day of class—items available at our store: Belleza & Co.

📍 **Location:**

526 East Chatham St. Cary, NC 27511
